

Activity to commemorate the International Day for the Eradication of Poverty 2016
**Symposium on “Sustainable livelihood in a globalized urban context:
Common challenges and diverse responses in overseas cities and Hong Kong”**

- What are the emerging challenges faced by the grassroots in global cities? What are the community-led attempts responding to the challenges; and towards the goal of sustainable livelihood?
- What are the experiences of community projects in other global cities to advocate improvement of our quality of life and enabling resources and opportunities for the grassroots/ community members?
